Schools are responsible for setting their own internal due date for students to submit work to teachers. Teachers must upload and/or verify their students' submissions in TRACS by the published due date to TASC, for both electronic and non-electronic submissions. TASC does not set or manage internal school submission dates. It is the responsibility of schools to ensure their internal timelines allow sufficient time for teacher verification and submission prior to the TASC due date.

I confirm that the student submitted their work to me by the **school's internal due date**, and that I, as the teacher, have uploaded it to TRACS by the due to TASC date **Friday, 30 October**.

Signed: _____

Date: ____/____/____

If, for any reason, a teacher cannot sign the above declaration, follow the instructions for notifying TASC on the [Student Folio Declaration Form Information Sheet](#) (see from 4.2 on page 2). This requires a TRACS task to be submitted to TASC with the school process outlined and any further details.
